

A YEAR IN REVIEW

VISION, MISSION, & CORE VALUES

"Every child deserves the chance to play baseball."

Vision

The Miracle League of the South Hills envisions a community where all people with disabilities have opportunities to enhance their lives as athletes, teammates, and in everyday life.

Mission

The Miracle League of the South Hills creates an environment of acceptance for people with disabilities and their families, with baseball as the root, as we promote meaningful, authentic relationships that connect people on the field as well as in the community.

Core Values

- Provide every child and adult the opportunity to play the game of baseball.
- Nurture peer relationships as we merge communities together so that barriers to friendship and opportunity are removed while promoting teamwork, inclusion, and helping people reach their full potential.
- Develop life skills that empower and challenge everyone to foster acceptance of all individuals.

P SOUTH HILLS PIRATES

FROM PITTSBURGH, PA TO PIGEON FORGE, TN!

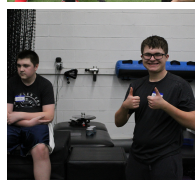

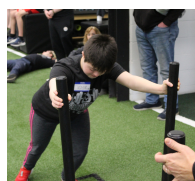

The South Hills Pirates set out on an epic adventure this summer to the Black Bear Tournament at the Ripken Experience - Pigeon Forge! Our Pirates participated in a historical, all-inclusive tournament comprised of 4 Miracle Leagues and 25+ youth teams from across the country! The Pirates were each awarded the Black Bear Championship ring and a Ripken Medal! The team celebrated an amazing week of baseball with a day of fun spent at Dollywood!

MUSCLES 4 MIRACLES

Muscles 4 Miracles is a joint effort between Teleo Performance and the Miracle League of the South Hills to bring offseason strength and conditioning program along with baseball fundamentals to our athletes. Our athletes learn the proper way to train from the best sports performance trainers in the Pittsburgh area. Athletes learn injury prevention techniques, baseball specific training, and everything they need to build big muscles to crush the ball over the fence during their season.

A MIRACLE LEAGUE HALLOWEEN

PUPS AT THE PARK

We our
furriest
fans!

Our athletes LOVE having fans in the stands...especially fans with four paws! Here are a few of our favorite furry friends who came to cheer on our Miracle League athletes this year. Which one is your favorite?

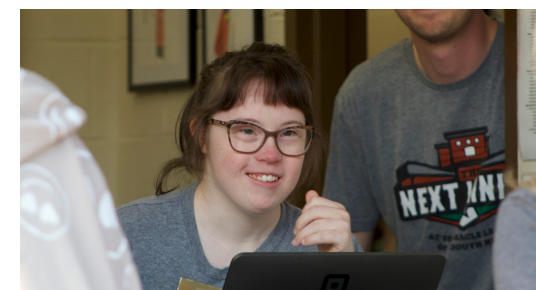

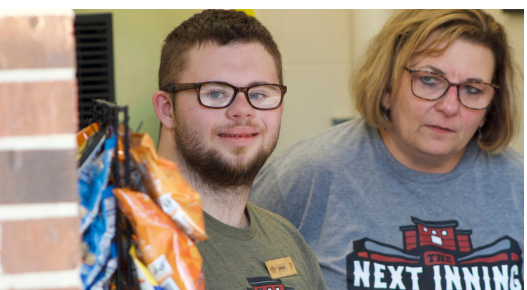

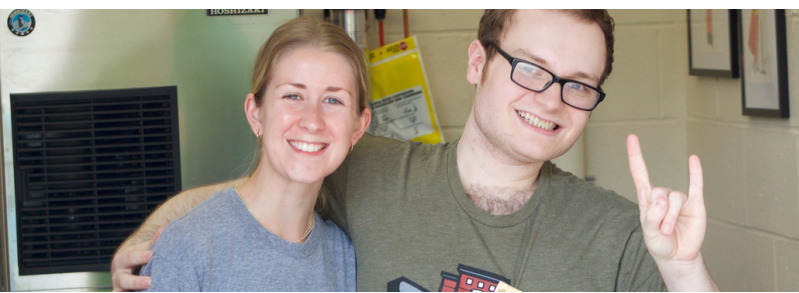

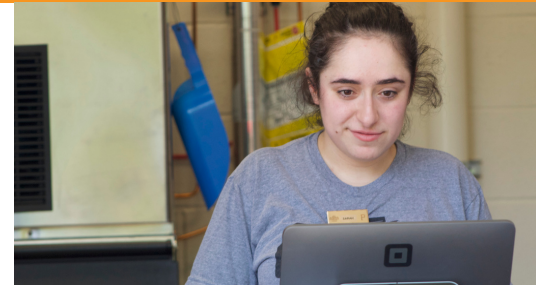

THE VOICES OF THE LEAGUE

Our announcers bring the games to life with their energy and enthusiasm! We are always looking for new announcers to join our team. Give us a call if you want a chance to take over the mic next season!

THE NEXT INNING JOB TRAINING CENTER

Our concession stand is home to our Next Inning Job Training Center, where 40 Miracle League athletes work (and get paid!) every season. Since its inception in 2021, multiple athletes have gone on to accept full and part-time jobs outside of the MLSH! With the help of our volunteer job coaches, the Next Inning teaches our athletes valuable skills in customer service, money handling, food prep, custodial work, and more!

THE BEST COACHING STAFF IN THE COUNTRY
